Foreign Application(s) and/or Claim of Foreign Priority

I hereby claim foreign priority benefits under Title 35, United States Code Section 119 of any foreign application(s) for patent or inventor(s) certificate listed below and have also identified below any foreign application for patent or inventor(s) certificate having a filing date before that of the application on which priority is claimed:

(This section is hidden text and should not be printed. Be sure that you do not have the hidden text box checked at File/Print/Options/Include with Document.)

As stated on the PTO Web site:

"The domestic priority box was removed from the declaration forms because it is not required by the statutes or by the related rules to state a domestic priority claim in the declaration. The presence of this box created confusion, and may have caused unnecessary objections to declarations when this box was not filled out and applicant was indeed claiming domestic priority to another application. To claim domestic priority under 35 U.S.C. 119(e)1 and 1202, applicant must comply with 37 CFR 1.78 which requires, in part, that the priority claim information be in either the first line of the specification or in an application data sheet."
